Daddy Jim Headquarters

[Verse 1]

He was just Goku (Goku)
She was just an Android (Android)
We were just the two
Yeah (Two, yeah)
Feelin' kinda paranoid (Paranoid)
Then he took her hand
Oh (Hand, oh)
They were on the dance floor (Dance floor)
Then they fell in love
Love
Love (Love, love)
Now they wanna dance more

[Chorus]

I think Goku's in love with Android 18 on the dance floor (Ooh, ooh, ooh)
I think Goku's in love with Android 18 on the dance floor (Ooh, ooh, ooh)
I think Goku's in love with Android 18 on the dance floor (Ooh, ooh, ooh)
I think Goku's in love with Android 18 on the dance floor (Ooh, ooh, ooh)
