

Can Ginyu Get Up in You?

Daddy Jim Headquarters

[Verse 1]

Captain Ginyu sliding through the scene
Through the scene
Purple skin glistening, you know what I mean
What I mean
He don't need no conversation
Just one look and it's a body vacation
Bulma never stood a chance tonight
Chance tonight
Got her switching up before she saw the light
Saw the light
One flash, now she's feeling brand new
Tell me baby, did he get up in you?

[Chorus]

Can Ginyu get up in you?
Get up in you
Can Ginyu get up in you?
Ooh, ooh
He'll trade your body for his own design
Got you crossing every line
Can Ginyu get up in you?
Get up in you
Can Ginyu get up in you?
Yeah, yeah

[Verse 2]

Android Eighteen thought she had it locked
Had it locked
Ice cold heart but the Captain never stopped
Never stopped
She was coded to be cold
But Ginyu got her losing control
Blonde hair whipping as she lost her grip
Lost her grip
Feeling something that she couldn't resist
Couldn't resist
Krillin standing there like what'd he do?
When Ginyu done got up in you

[Chorus]

Can Ginyu get up in you?
Get up in you

Can Ginyu Get Up in You? (cont.)

Can Ginyu get up in you?
Ooh, ooh
He'll trade your body for his own design
Got you crossing every line
Can Ginyu get up in you?
Get up in you
Can Ginyu get up in you?
Yeah, yeah

[Bridge]

Change now!
Change now
Watch him flip the script
Change now!
Change now
Feel your body shift
Even Lady Frieza watching from her throne
From her throne
Captain got her wishing she could take him home

[Final Chorus]

Can Ginyu get up in you?
Get up in you
Can Ginyu get up in you?
Ooh, ooh
He'll trade your body for his own design
Got you crossing every line
Can Ginyu get up in you?
Get up in you
Can Ginyu get up in you?
On the floor
Can Ginyu get up in you?
Get up in you
Can Ginyu get up in you
