

Cheatin' (That's What Saiyans Do)

Daddy Jim Headquarters

[Verse 1]

Goku's heart wasn't in the grind
Skipping battles, leaving truth behind
He wasn't chasing power, not this time
Trading blasts for borrowed lies

[Pre-Chorus]

Chi-Chi waiting, dinner getting cold
But Goku's out there losing self

[Chorus]

Goku wasn't training
Wasn't training
He was out there cheating
Out there cheating
Launch, Bulma, Baba too
That's what Saiyans do
Goku wasn't training
Wasn't training
Left his wife there waiting
Wife there waiting
Breaking hearts in two
That's what Saiyans do

[Verse 2]

Launch with a sneeze, flipping her fate
Bulma's got tech, but love don't equate
Baba saw it all in her crystal ball
She warned him once, but pride made him fall

[Pre-Chorus]

Chi-Chi dreaming of a stronger man
But Goku's tangled in a reckless plan

[Chorus]

Goku wasn't training
Wasn't training
He was out there cheating
Out there cheating
Launch, Bulma, Baba too
That's what Saiyans do
Goku wasn't training
Wasn't training
Left his wife there waiting
Wife there waiting

Cheatin' (That's What Saiyans Do) (cont.)

Breaking hearts in two
That's what Saiyans do

[Bridge]

Wasn't training, no no no
That's what Saiyans do
Wasn't training, no no no
Just playing, oh oh oh
That's what Saiyans do

[Outro]

Goku wasn't training
Wasn't training
He was out there cheating
Out there cheating
That's what Saiyans do
