

God of Bath-Time Destruction

Daddy Jim Headquarters

[Verse 1]

He was a Saiyan and he used to have that mood
Deleted Arlia and some grasshopper dude
I am the prince!
Final Flash, everyone dies
Now look at this man through Bulma's eyes

[Chorus]

She turned the killer soft
Soft
Look what Bulma did to him
How did it turn dysfunction?
God of Bath Time Destruction
The prince ain't what he was
Taking baths is what he does
That is his new function
God of Bath Time Destruction

[Verse 2]

Beerus slapped Bulma, my Bulma he roared
Went Super Saiyan, thought he'd settle the score
Now they breaking bread, Beerus getting served
Vegeta with a tray, ain't that absurd
Bingo dance, hopping up and down for fun
His own son went Super Saiyan, Vegeta outdone

[Chorus]

She turned the killer soft
Soft
Look what Bulma did to him
How did it turn dysfunction?
God of Bath Time Destruction
The prince is on the run
Run
Or at bath time he'll get none
That's Bulma's instruction
God of Bath Time Destruction

[Bridge]

Final Flash to rubber splash
Saiyan pride thrown to the side
The universe used to shake when he came through
Now he's worried about being home by two

[Outro]

This is how it ends
Ends
The prince making amends
Amends
See his reconstruction
God of Bath Time Destruction
The warrior is done
Done
Bulma already won
Here's his introduction
As God of Bath Time Destruction
