

Goku Make it Rain

Daddy Jim Headquarters

[Verse 1]

Step on the floor
Feel the vibe
Oh yeah
Power up strong
Ain't no need to compare
Ooh, ooh
Dragon Balls gleam
Got that shine
Got that glare
Cash in the sky
Throw it high
Let it tear

[Pre-Chorus]

Kamehameha
Let it go
Let it go
Stacks on stacks
Watch it flow
Watch it flow

[Chorus]

Goku making it rain
Oh
Oh
Oh
Bills flying
Insane
Let's go
Go
Go
Up in the clouds
Watch them fall
Fall
Fall
Goku making it rain
Can't stop at all

[Verse 2]

Capsule Corp vibes
Gold chain
Do the flex
Scouter on blast
Power level's complex
Uh, uh
Zeni in my hands
Make it flip
Who's next?
Spin it like a disk

Goku Make it Rain (cont.)

Yeah
Cashing those checks

[Pre-Chorus]

Kamehameha
Let it go
Let it go
Stacks on stacks
Watch it flow
Watch it flow

[Final Chorus]

Goku making it rain
Oh
Oh
Oh
Bills flying
Insane
Let's go
Go
Go
Up in the clouds
Watch them fall
Fall
Fall
Goku making it rain
Can't stop at all
