

Majin Goon

Daddy Jim Headquarters

[Verse 1]

Three AM, the Majin Goon is locked in
Only Fusions up and he ain't logging off
Heart-react on every photo that she drop
Comment "queen" and "goddess," he can't stop
Saved the whole page to his camera roll
She ain't follow back, he still on patrol
In the DMs talking 'bout "I'm not like them"
Chocolate beam emoji, then he press send

[Bridge]

He swear he different from the other ones
Sending paragraphs she never read, not once
Steam coming out his head, he getting tight
But the Goon won't quit, nah, not tonight

[Chorus]

He the Majin Goon (the Goon!)
Only Fusions, up past noon
THE Majin Goon (THE Goon!)
Chocolate beam, he comin' soon

[Verse 2]

Fifty messages and she left him on read
The Goon not bothered, nah, the Goon ain't dead
"I'd treat you way better than Vegeta do"
Top-tier subscription, paying monthly too
Tips on every post, he the biggest simp
She don't know his name, thinks she got a glimpse
Turned himself to candy just to be her type

[Chorus]

He the Majin Goon (the Goon! come on)
Only Fusions, up past noon (all day)
THE Majin Goon (THE Goon!)
Chocolate beam, he comin' soon (ooh)

[Bridge 2]

Hercule told him "Buu, you gotta chill"
"Find a real one, homie, someone real"
But the Goon just steaming from the dome
Only Fusions open on his phone
Babidi couldn't even break this spell
The Goon done absorbed the wifi, oh well

[Final Chorus]

He the Majin Goon (the Goon! yeah yeah!)
Only Fusions, up past noon (he don't sleep!)
THE Majin Goon (THE Goon! that's him!)
Chocolate beam, he comin' soon (watch out!)
Ain't nobody stopping the Majin Goon (nah!)
Pink boy never logging off, not soon (never!)
THE Majin Goon (THE... Goon!)
