

Mr Popo Took Your Girl

Daddy Jim Headquarters

[Verse 1]

Bulma's been missing, Vegeta can't find her
Prince of Saiyans looking desperate, deadly stare
Android 18 left Krillin crying on the floor
Your girl's up on the Lookout now

[Pre-Chorus] (Background)

(She Gone, She Gone, She Gone, She Gone, She Gone, She Gone...)

[Chorus]

Mr. Popo took your girl
Living in a different world
Up on the Lookout where the clouds don't end
Mr. Popo took your girl again

[Verse 2]

Chi-Chi left a note for Goku on the floor
"Gone to find my peace" we know what that's for
Pecking order got you shook now
Your power level don't mean nothing

[Chorus]

Mr. Popo took your girl
Living in a different world
Up on the Lookout where the clouds don't end
Mr. Popo took your girl again

[Bridge]

Gather the Dragon Balls, make your wish
Shenron can't reverse this

[Final Chorus]

Mr. Popo took your girl
Living in a different world
Up on the Lookout where the clouds don't end
Mr. Popo took your girl again
