

That's Not My Son (Cheelai Who You Fuckin!?)

Daddy Jim Headquarters

[Verse 1]

Girl I got the call, said come see your boy
Flew across the stars, thought I'd feel some joy
But I looked in his eyes and I don't see me
Something ain't adding up in this family tree
I know my bloodline, I know what I made
Cheelai baby, why you looking so afraid?
Two hundred years but the math don't lie
Tell me what you did, I deserve to know why

[Pre-Chorus]

Cause I can feel it in my soul
There's a secret you ain't told
And I gave you everything I had
So why this feel so bad?

[Chorus]

That's not my son! No it ain't!
Cheelai who you fucking!? Tell me!
That's not my son! I can tell!
Who you been loving!? Who!?
That's not my son! Nah baby!
And it's tearing me up inside, Inside!
That's not my son! Cheelai who you fucking!?

[Verse 2]

Now hold on Cheelai, don't you look at me
I'm a God of Destruction, check my pedigree
Yeah I took you shopping, yeah I bought you things
But I never put a finger on you, not a thing
I ain't leave no heir, I ain't plant no seed
Cheelai what you did, that ain't on me
He went Super Saiyan, that ain't in my genes
So who else you been with? What the hell that means?

[Chorus]

That's not my son! Nah nah nah!
Cheelai who you fucking!? Wasn't me!
That's not my son! On Whis I swear!
Who you been loving!? Who!?
That's not my son! I'm a god!
Don't put this shit on me, On me!
That's not my son! Cheelai who you fucking!?

[Bridge]

Wait, Chiaotzu?
That quiet little homie been around you too?
He always in the cut, never says a word
Floating in the back like he ain't never heard
Chiaotzu! Was it him?
Girl just tell us! Tell us the truth!
Chiaotzu! Say his name!

That's Not My Son (Cheelai Who You Fuckin!?) (cont.)

What you got to lose?

[Chorus]

That's not my son! No no no!
Cheelai who you fucking!? We need to know!
That's not my son! It ain't mine!
Chiaotzu got you glowing! Oh!
That's not my son! Tell the truth!
Baby we been dying to know, Dying to know!
That's not my son! Cheelai who you fucking!?

[Outro]

Chiaotzu
Was it him girl? Just tell us the truth
Yeah
That's not my son
