Daddy Jim Headquarters

[Intro]

See, I gotta ask you something, Gohan
Yeah?
Cause something ain't adding up right

[Verse 1]

The girl from the tournament, she was a fighter
Now she's in the kitchen every single night

She used to throw hands, had that fire in her eyes
Now she just smiles and she bakes you a pie
I checked the footage from the Buu Saga days
That ain't the same woman, don't even try
Don't try

[Pre-Chorus]

Was it the dishes?
The dishes?
Did she forget to wash them one time?
One time?
Was she reading feminist literature?
Gohan, confess to your crime
Your crime

[Chorus]

What happened to the real Videl, Gohan?
Where she at?
What happened to the real Videl, Gohan?
We need facts
She used to be a warrior, now she's so calm
Too calm
What happened to the real Videl, Gohan?
Where she at?
What happened to the real Videl?
Videl!
What happened to the real Videl, Gohan?

[Verse 2]

Did she talk back at dinner?
Did she?
Did she say she didn't wanna cook?
Uh oh

What Happened to the Real Videll Gohan? (cont.)

Did she question all your studying?
Is that why her personality got took?
Got took
She cut her hair, lost her attitude
Now she's sweet as can be
Too sweet
The Videll I knew would've slapped Beerus too
This one just pours his tea
Just tea

[Pre-Chorus 2]

Was she too independent?
Independent?
Did she want her own career?
Career?
Did she say I don't need you, Gohan?
Is that why she disappeared?
Disappeared

[Chorus]

What happened to the real Videll, Gohan?
Where she at?
What happened to the real Videll, Gohan?
We need facts
She used to be a warrior, now she's so calm
Too calm
What happened to the real Videll, Gohan?
Where she at?
What happened to the real Videll?
Videll!
What happened to the real Videll, Gohan?

[Verse 3]

Gohan, we got witnesses
Witnesses
They saw her flying, saw her fighting
Now she can't even throw a punch?
Something happened in that time skip
And you're gonna tell us what
Tell us what
Where's the body, Gohan?
Where'd you put the real one?
The real one
