

Who Stole Krillin's Nose?

Daddy Jim Headquarters

[Verse 1]

Why's he different than the others?
It ain't a question of his color
If you wonder why he looks like that
Let me hit you with a fun fact

[Chorus]

Who stole Krillin's nose?
And can you tell me where it goes?
Who stole Krillin's nose?
It's a mystery that no one knows

[Verse 2]

Was it Kurama or some random demon?
Yusuke Urameshi from his anime region?
Was it Kakashi with his Sharingan vision?
Naruto
Ichigo
Luffy
Or maybe a Titan?

[Chorus]

Who stole Krillin's nose?
And can you tell me where it goes?
Who stole Krillin's nose?
It's a mystery that no one knows

[Verse 3]

I ain't tryna be a hater
But did Ash Ketchum send it to his mother?
Maybe Misty with her Psyduck
Or did someone wish it with the Dragon Balls?

[Outro]

Who stole Krillin's nose?
And can you tell me where it goes?
Who stole Krillin's nose?
It's a mystery that no one knows
Who stole Krillin's nose?
And can you tell me where it goes?
Who stole Krillin's nose?
It's a mystery that no one knows
